## Many Career Choices UNDER ONE ROOF

The private club industry provides students a prestigious environment in which they can grow and develop into committed service professionals.

Private clubs provide high levels of training by dedicated service professionals in interesting and fun work environments. They offer many career choices under one roof and the opportunity to work with people on a daily basis with no two days being alike.

There are more career options to consider.

Every private club has a group of people working behind the scenes to make the operation successful. These positions include **Accounting, Administration, Human Resources, Marketing, Membership** and **Public Relations**.

For more information on career opportunities in clubs, visit [www.clubjobs.ca](http://www.clubjobs.ca), the premium job search site and career portal built specifically for the club industry.

Many food and beverage positions are offered at private clubs.

- » The **Clubhouse Manager** oversees the overall quality and service of the private club.
- » The **Catering Manager** plans and details the members' private functions such as weddings and corporate meetings.
- » The **Banquet Manager** is in charge of setting the layout of function rooms and oversees the food and beverage service during the event.
- » The **Executive Chef** and **Culinary Staff** prepare the food in the kitchen.
- » The **Dining Room Manager** oversees food and beverage service in the dining room.
- » The **Sommelier** is the wine expert and offers recommendations to the members.
- » The **Bartender** prepares and serves drinks.
- » The **Server** serves the meal and ensures a fine dining experience for every member.

With so many services offered to members, private clubs offer more career choices.

In today's society, people are concerned with wellness and maintaining a balanced life. Private clubs offer programs and services to help members achieve these goals. These services provide students the opportunity to develop **Sports and Recreation skills** including Golf, Tennis, Curling, Squash, Badminton, Fitness, Aquatics and Skating. Private clubs also offer **Massage Therapy, Personal Training, Spa Services, Adult Programs** and **Children's Activities**.

Private clubs have extensive grounds that need to be maintained by professionals including **Turf Managers** and **Gardeners**. **Maintenance staff** are found throughout club buildings taking care of the electrical, plumbing and carpentry requirements.

Golf clubs offer a variety of job opportunities including **Merchandising Attendants, Operations Staff, Driving Range Personnel** and **Golf Professionals**.
